What an opportunity, for the “out front” crew of the Evidence Office, to take their public appearance experience and sociability to spotlight the levels of sophistication and elegance in every corner of the third floor. Thanks for your interest in the upcoming program and know we’re behind your efforts 100%.

I think one of the Swamp creatures would be a perfect candidate for this model mockery. The evidence office will donate some biohazard stickers....

Hello Everyone,
Is anyone interested in participating and create a special piece of k-pak clothing ensemble for project runway. There is free pizza involved and recognition that we exist.
Thanks,
Daniela

Are you a Christian Siriano wannabe? Do you add "top American designer" to Michael Kors automatically? Can you "Make it Work"? Did Lady Gaga inspire your look? Then, designer, Project Runway – the HSLI Edition is for you and your team!

For this challenge:

You and your team have two weeks to come up with a runway ready look. Materials used **MUST BE FOUND IN YOUR LAB AREA – you may not bring in any materials from home.** One of your team members must model this look on the 'runway'.

The judges (TBA) will deliberate and chose a winning design.

Prizes: The winning team will win a pizza party and the glory of winning Project Runway – the HSLI Edition 2011.
